Cashier
Red Cross Pharmacy
Spooner, Wi
11/2020-3/2021

Job Description:

As a cashier at a pharmacy, I worked alongside other cashiers, managers, and customers. I performed custodial duties around my section and throughout the store. This included vacuuming, sweeping, cleaning and sanitizing hard surfaces, and dusting surfaces. Communication skills, as I had to help customers find items in-store and over the phone. Teamwork skills used to manage the store, assist customers, restock items, and clean in an orderly fashion. On my feet actively walking for hours at a time without taking breaks to sit.

Prep Cook
Pine Brook Farm
Spooner, Wi
5/2021-8/2021

Job Description:

Made pizzas, salads, and appetizer prep—cleaned surfaces and organized goods within a kitchen. Occasionally, I was a waitress taking orders and delivering food. Developed great communication and listening skills from interacting with customers. Learned how to time manage to make food and get orders out in a timely manner while still being patient with customers.

National Park Service (YCC) Maintenance Worker
National Park Service
Trego, Wi
06/2022-08/2024
